Student Life

Some consider the life of an EHS student to be long, tedious hours of classwork followed by several hours of homework, while to others, it is just six hours to spend with friends during the day. Despite the differences of opinion, everyone agrees that the past four years, though there have been many challenges along the way, have been a pleasant and memorable experience.

Academically, Everett High School offers a wide selection of major subjects and electives. This wide selection allows students to choose courses which will prepare them for future endeavors. Students may choose Academic, Business Academic, Business, Industrial Arts, Home Economics programs, or the Vocational Department for those students who wish to pursue a trade.

In addition to helping students prepare for the future, whether it be for college, business or trade, EHS offers a variety of extracurricular activities. At the start of each year students have the opportunity to join the many clubs offered at EHS. There are many sports to choose from, as well as the Drama Club, Band and Chorus for those interested in the Performing Arts. In addition to this, during their study periods, students can volunteer their time to help the Guidance office and the Nurses' office as aides.

Everett High School also holds elections at the start of each year for many offices, including President, Vice President, Secretary, and Treasurer. Students are asked to choose from their peers, those whom they feel qualified to hold an office for their class.

Each year around prom season, students are given the chance to be a part of S.A.D.D. (Students Against Driving Drunk). This is a key program and is taken very seriously by both the faculty and students.

EHS offers quite a selection of activities for its students. School is not just a place to learn; it is also a place to make friends and have fun.

Thanks EHS, for a time we'll never forget!!

Sophomore Semi-Formal

It was our first encounter with a sophisticated celebration, our chance to start acting like adults, our Sophomore Semi Formal. Held at Anthony's of Malden on April 6, 1990, the Sophomore Semi Formal was a night to remember.

This was the first time we could all be together, dressed to the nines, in ties and cocktail dresses. We rented limousines and took millions of pictures in a tradition we would practice for two more years with our Junior and Senior proms. We ate a buffet dinner and then turned the lights down low so that we could dance the night away with all of our classmates. For many, this was an evening never to forget. For others it was only a prelude of proms to come, but for all who attended it was a night full of exciting and wonderful memories.

Junior Prom

Our Junior Prom "Here and Now", took place on May 17, 1991, and was held at Montvale Plaza in Stoneham. Our prom was filled with beautiful, eye-catching gowns and tuxedos of all styles and colors.

Couples arrived by various forms of transportation. Some appeared in elegant stretch limousines, while others took their own cars.

The honors of Prom King and Queen were given to Daniel Janes and Melissa Doherty. All through the night, everyone was bursting with a tremendous amount of energy. As we danced the night away, we created memories that will last forever.

When the prom came to an end, everyone went their separate ways, only to reunite the next day to celebrate all over again.

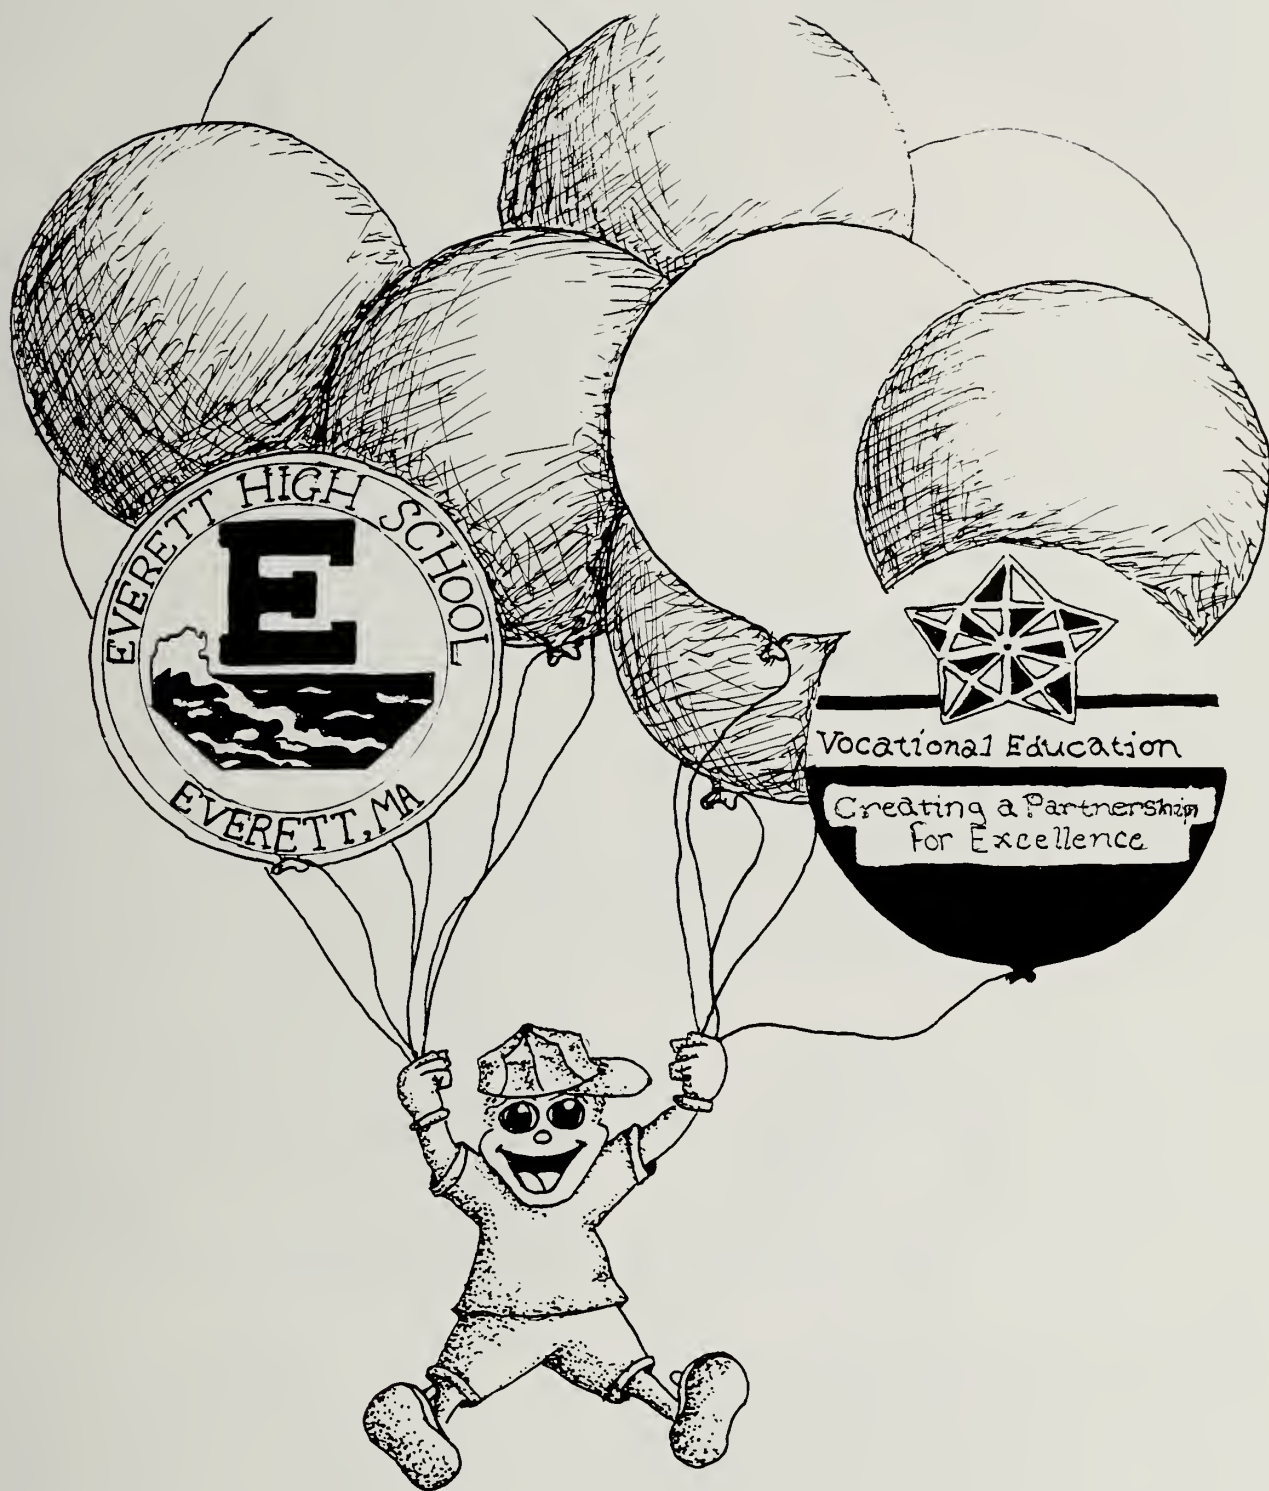

Academics

The Academic Division of Everett High School prepares students for two and four year colleges, business schools and technical schools. Programs offered at Everett High are: Advanced Learning Classes, Academic Business, Academic, Industrial Arts and Home Economics. In addition, Advanced Placement Classes are offered for seniors. All programs are interchangeable and there are a variety of different classes for students to take.

In order to graduate, all students are required to complete four years of English, Social Studies and Physical Education, two years of Science and Mathematics and one year of Health. Along with these requirements, all academic students must complete two years of a foreign language.

Other classes offered are Child Care and Sewing and Cooking, which are usually taken by students enrolled in the Home Economics program. For the Industrial Arts program, classes such as Woodworking and Drafting are offered, while Typing, Accounting and Shorthand are also offered to students in the Academic Business program.

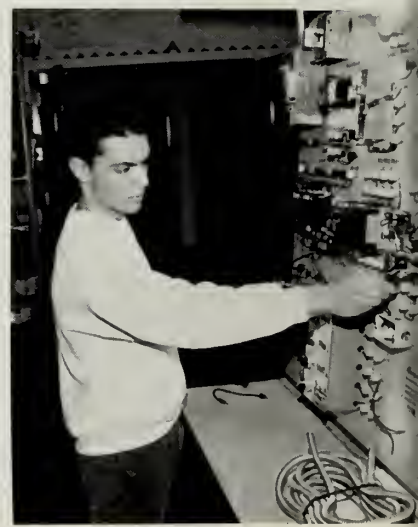

Vocational Division

The Vocational Division of Everett High School prepares students for work in a trade. Machine Shop, Painting and Decorating, Auto Repair, Electrical Shop and Graphic Arts are five programs offered to vocational students.

Unfortunately, Upholstery, Auto Body, Cabinet Making and Sheet Metal were closed because of budget cuts. Any senior who wanted to complete a shop that was closed could continue their studies at Northeast Metro Tech in order to fulfill their graduation requirements.

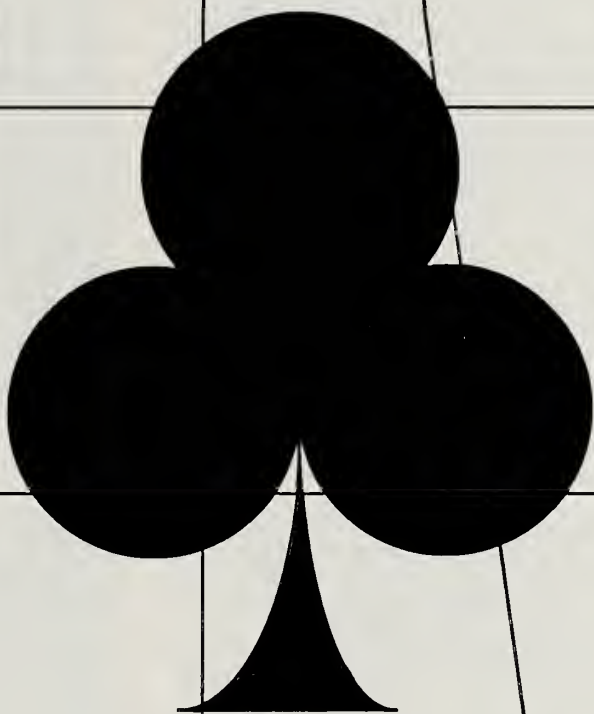

Besides taking shop classes, vocational students are also required to complete courses in English, History, Mathematics and other classes related to their shop. At graduation time, not only do vocational students receive an Everett High School Diploma, but also a certificate in their trade.

Class History

September, 1988, we took our first steps into a world unknown to any of us . . . Everett High School. As we filed into the Field House, our hearts pounding, we wondered what lay ahead in our future here. As we became accustomed to the atmosphere, we began to settle in. The variety of activities such as Senior Dress-Up day and Candy Cane Day amazed us. Some of us became chronic club members, going to every meeting there was, while others spent their afternoons in the field house wrapped up in their favorite sport. Time soon passed, and already it was Christmas Vacation. Upon our return to school in January, we were surprised and somewhat disappointed to witness the vandalism that had occurred over Christmas vacation. Slowly but surely, our school was cleaned up and it was almost April Vacation. Along with the coming of spring came the anticipation of finishing our first year of high school. We were on our way!

Sophomore year, ah, what a relief! We were no longer the bottom of the barrel. We started off the year two weeks late due to a teachers strike, therefore spending February vacation "hitting the books". As 1990 rolled around we were deeply upset with the death of a well-liked faculty member. Echoing calls of "Dr. Deidu" became a familiar announcement through the halls of Everett High, and early dismissals due to bomb threats were becoming redundant. We all had a blast at our Semi-formal, which was held at Anthony's in Malden on April 6, 1990. Our sophomore year came to a close when we took our finals dangerously close to the begin-

ning of July.

Our junior year seemed to sneak up on us with no warning. Sports took a leap with many of the teams making it to the state tournaments, and of course no one will forget the nights we spent watching our championship basketball team in arenas like the Boston Garden and Worcester Centrum! Let's not forget the great season the Softball team had, going undefeated and winning the GBL. We celebrated our Junior Prom at Montvale Plaza and created a world of memories never to be forgotten!

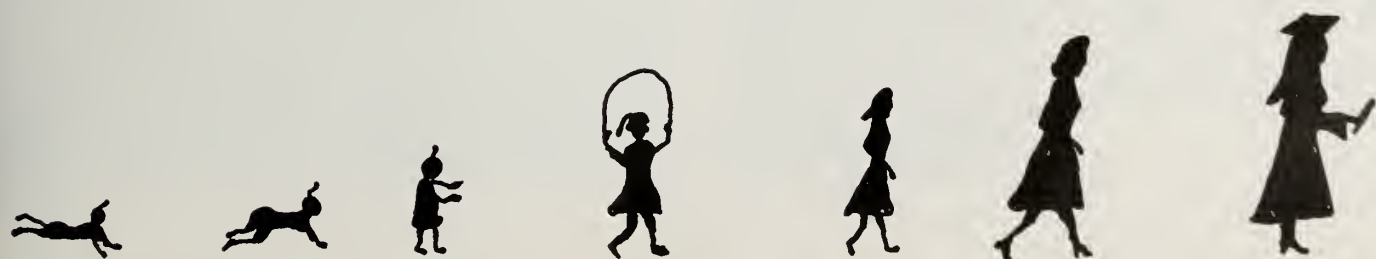

September, 1991! A day we never thought would come: our last "first day of school" at Everett High School! Now was the time to decide what was to become of our future. The pressure was intense but the class of 1992 always comes out on top! We started the year with a chorus of "If You're Happy and You Know It. . ." This was the year we could finally be the clowns on Senior Dress-Up Day. The Field Hockey team won the GBL and took EHS to great heights by winning the first round of the tournament. We all eagerly awaited the festivities of senior year, picnics, the prom, senior trips, and of course GRADUATION!

So there it is, the story of Everett High School's Class of 1992. The memories and friends made by all will live on forever in our hearts and minds! Thanks, E.H.S., for the times of our lives!!!

Football

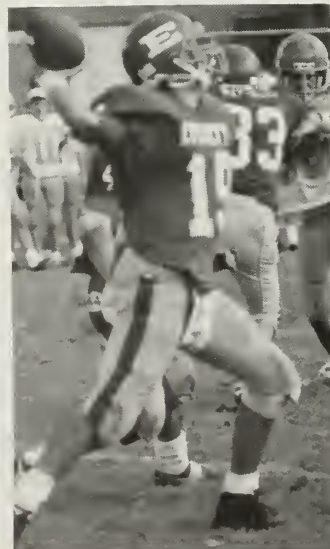

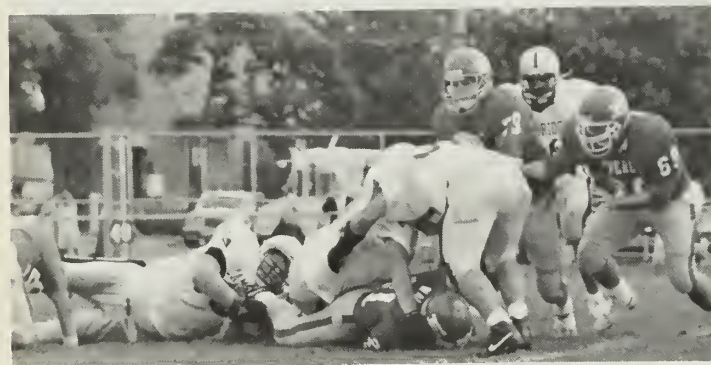

Not all seasons can be evaluated by how many victories were won, as with that of the football team. Their victories were in their attitudes, dignity, and their ability to play the sport. Whether the Tide was winning or losing they never lowered their heads or gave up fighting.

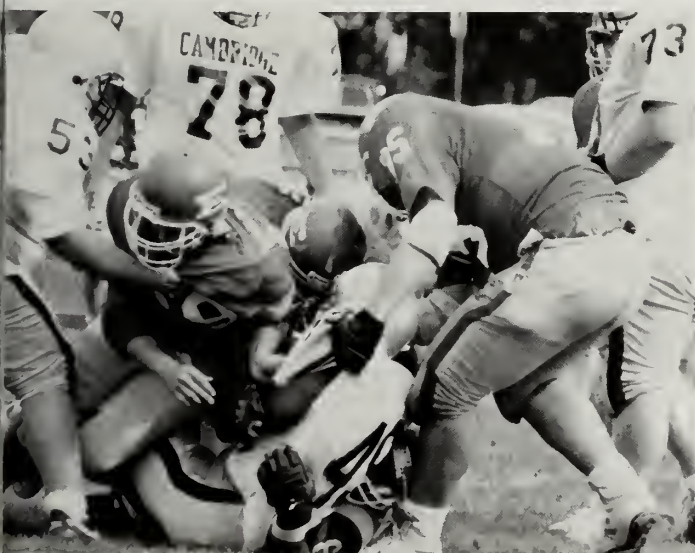

The elected captains for the 1991 season were Jason Walsh, David Spiriti, and Jonathon DelGaizo. Under the leadership of head coach James Agnetta and assisted by coaches Paul Enfanto, Ignatius Giangregorio, Louis Cicatelli, and Paul Lucci, the Crimson Tide worked their hardest to make this season worth remembering.

As the season came to a close, the Crimson Tide had to say goodbye to some great football players. The graduating seniors are Bryan Agnetta, John Commito, Jonathon DelGaizo, Pete McGahey, Tom O'Brien, Chris Rao, Rich Reppucci, Jim Scarpellini, Fred Shepard, Dan Sicari, David Spiriti, and Jason Walsh.

This year's seniors would like to wish good luck to the future Everett High Football teams.

Field Hockey

The 1991 season was truly a victorious one for the Everett High Field Hockey team. With a record of 11-3-5, the girls won the GBL and qualified for the tournament with three games left to play.

The girls met in August to begin training for the 20 game season that laid ahead. Under the coaches of Janet Colemeta and Al Martignetti the girls played the best field hockey Everett High has ever seen. This year the girls not only qualified for the tournament, but they also got by the first round of play something no other EHS field hockey team has ever accomplished. Captains Dorene Smith and Maureen Stevens always got the action moving on the field. Whether the Tide was winning or losing, they always kept their heads up and fought to the last whistle of the game.

With the loss of seniors Lisa Anaskevich, Kathleen Bertocchi, Kristen Diamond, Keri LeBlanc, Erika Martin-Doyle, Jennifer Perry, Dorene Smith, and Maureen Stevens the team will definitely lose some of their flair.

Soccer

The 1991 Everett High School soccer season was one of character building and gaining valuable experience for future seasons. The very young team was led by co-captains Mickey Aristide and Tony Medieros. Mickey displayed outstanding leadership and was recognized as one of the Greater Boston Leagues best players, tallying eight goals and five assists during the season. Tony Medieros anchored a very young defense and was a stabilizing force with his fine defensive plays and a voice of encouragement to his younger less experienced teammates. Manny Aristide, Lan Dang and the other seniors on the team chipped in to help the younger players progress during the season.

Despite the lack of victories, the Crimson Tide gained the respect of their opponents by never quitting, and hustling in every game. It is easy to quit when your down, but these boys never did. Game in and game out, the challenge was met not always with a victory, but with outstanding effort.

Not every season can be measured by wins and losses. Winning seasons are easier to endure, losing ones are not. After every game, heads could be held high because they gave all that was in their hearts.

Cross Country

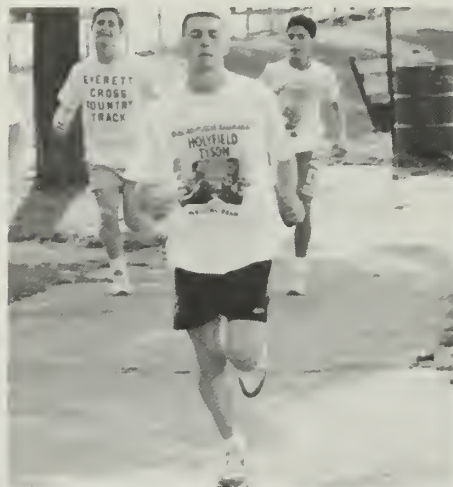

Both boys and girls cross country teams showed great improvement in the 1991 season.

First year coach Dennis Toto trained the team hard enabling the students to reach peak physical form.

The boys team composed mostly of sophomores, competed against older and more experienced teams. Despite their lack of victories, the boys gained admiration through their strength and determination. Senior Rich Bradley was a great motivator. He was looked up to by all of the underclassmen.

The girls team proved to be a bright, vivacious group. Their dedication to the sport showed through with their victories. The girls also gained respect from their fellow rivals.

These teams of talented runners led by Captains Audrey Agnetta and William Martin-Doyle will prove to gain many more victories in the near future.

HOCKEY

The Everett High Hockey team did well this year. The Crimson Tide finished with a winning record, and Coaches Don Concannon, John Sorrentino, Joe McLaughlin, and Tim Bennedeto were all extremely proud of the team's effort and spirit.

The Crimson Tide finished their season by ending up in fourth place in the GBL and they also qualified for the tournament. Talented players such as Captain Billy Mastrangelo, Captain Alex Naumann, Craig Hardy, Jay Rotondo, Joe Rotondo, Chris Demato, Dereck D'Onofrio, Steve Poliskey, Freddy Pendeza, Dennis Basile, Jason Ramoska, and Chris Antonelli made victories over tough teams like Sommerville, Peabody, and Waltham possible.

With the close of the 1992 season, the Everett High Hockey team will be losing four valuable players: seniors Dennis Basile, Derek D'Onofrio, Billy Mastrangelo, and Alex Naumann. Each player will be greatly missed.

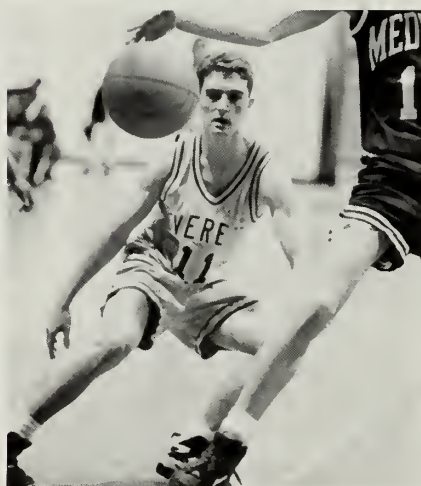

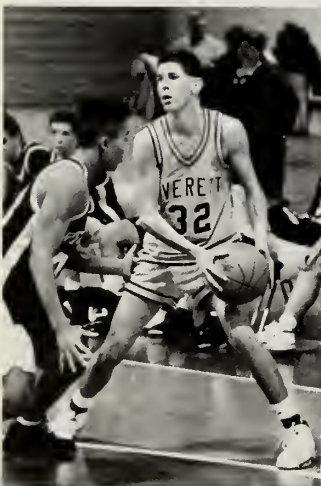

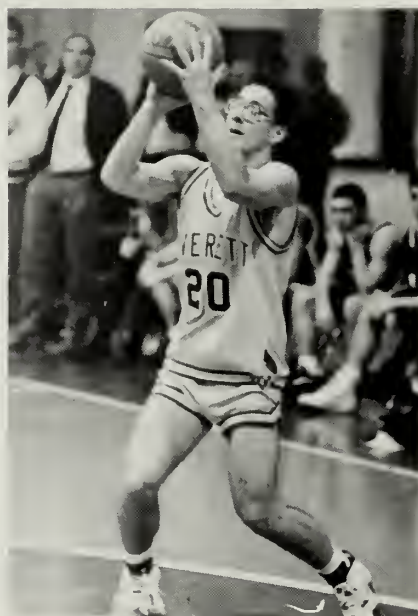

BOYS BASKETBALL

Since the beginning of the season, The Crimson Tide has strived to retain the title in which they were rewarded in 1991. Although the competition has been tough throughout the season the Tide has in fact performed to the best of their ability with impressive wins over powerful teams like Cambridge Ridge & Latin and undefeated Peabody.

The Crimson Tide was once again coached by John DiBiao Jr., and Paul Bertone. Elected captains for the 1992 season were seniors Richard Bradley, Anthony Herbert, and junior Rashid Johnson. Each member of the Crimson Tide has contribute to the team's success in a season where the Tide has exceeded all expectations. Graduating seniors are Richard Bradley, Anthony Herbert, Shawn McCarthy, and Luke Farrell. With the talent demonstrated with these individuals there is no telling how far this group may go.

BASKETBALL CHEERLEADING

The 1992 Basketball Cheerleading Squad was selected in the early spring and spent most of the summer practicing cheers and attending cheering camp in which Everett High received many spirit and recognition awards. Among the awards which were presented to Everett High, senior Julie Giantonio was given the opportunity to travel to London to attend an International Cheerleading Exhibition.

Coached by Mrs. Maureen DiBiaso, the Basketball Cheering squad has been noted by other squads for their outgoing personalities and their cheerleading talents. As the 1992 season comes to a close, the cheering squad will bid a farewell to Captain Amy Vaughn, Captain Julie Giantonio, and four year veteran Jennifer Desisto.

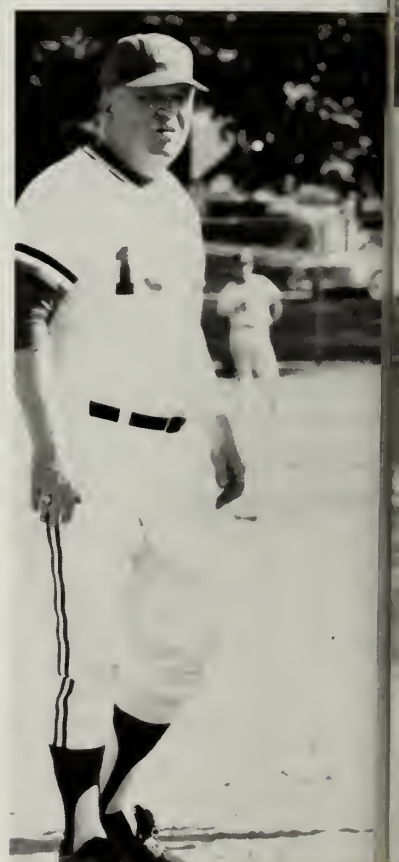

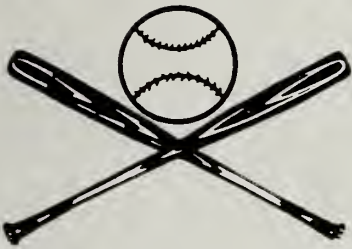

Baseball

The 1991 Everett High School Baseball season was one of character building and gaining valuable experience for future seasons.

Despite the lack of victories the Crimson Tide gained the respect of their opponents by never quitting, and hustling in every game. It is easy to quit when your down but these boys never did. Game in and game out, the challenge was met not always with a victory, but with outstanding effort.

Not every season can be measured by wins and losses. Winning seasons are easier to endure, losing ones are not. After every game, heads could be held high because they gave all that was in their hearts.

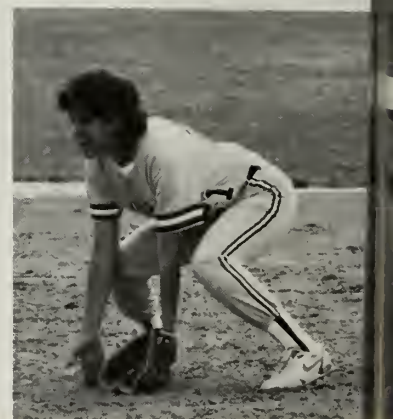

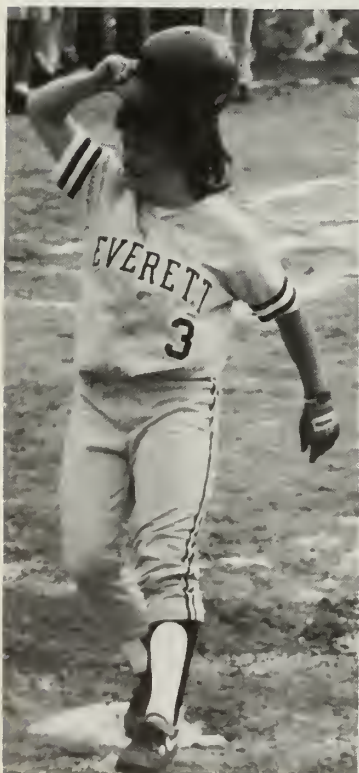

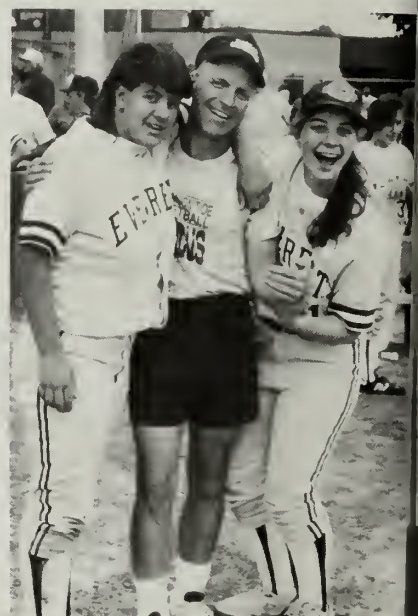

Softball

The 1991 Softball Season was an unforgettable one. We decided that we were going to bear down and focus on a goal. Our captains Stacy Poste and Deanna Leone were the best mix of leaders ever, making the team chemistry better than ever. Stacy worked hard at pitching, while Deanna never gave up. She would say, "Guys get up! It's not over because we want it more!" It was an exciting feeling to play on the field with each other. Everyone, from the starting player to the last player on the bench was important to the team's success. To go undefeated 20-0 is something to be proud of, and it was because we put our heart and soul into each and every game.

Any team member will tell you that "Nuzz" is not only a great coach, he's also a good friend. The things he taught us on and off the field will remain in our minds forever. Mr. G. helped with specifics such as bunting, proper stance and outfield drills. Mr. Enfantio would push you to the limit and when you thought you were there, he would push you one step farther.

One of our dreams came true, when we won the G.B.L. and were on our way to the tournament. The first game was close, but we pulled through it. Then came the game against Lexington that none of us talk too much about. Our dream was shattered, but that didn't stop us from competing in the Jr. Olympics together. We won the Metros and went to Maine to play in the Regionals. Even though we can't go back, the feelings we had will stay in our hearts forever.

HOCKEY CHEERLEADERS

Being a cheerleader isn't always as glamorous as it looks. A good cheerleader practices for hours upon end and makes sacrifices for the sake of the squad.

Led by captains Debbie Massa and Jennifer Leopardo the Hockey Cheerleading squad consists of eighteen dedicated girls. Coached by Celicia Fuccillo, the squad reached new heights by attending camp, having various fund raisers, and entering cheering competition.

With the 1992 season coming to a close the Hockey Cheerleading squad will have to bid a goodbye to seniors Debbie Massa, Jennifer Leopardo, Andrea Purcell, Andrea Costanza, and Kelly Trail.

Football Cheerleading

Being a football cheerleader is just one of the many extra-curricular activities that Everett High School has to offer. The team is chosen in June and the girls spend their summer preparing for the upcoming season. Although cheerleading is an enjoyable pastime and more than a few laughs, there is a lot of hard work involved. Besides dedicating many hours a week to practice, participating in numerous fund raising events and uplifting school spirit, each girl must maintain a certain grade point average to remain eligible. Throughout the season, the cheerleaders travel to various cities to root for their players. In both victory and defeat, the girls stick by the boys. This year's 1991 football cheerleading team consisted of five seniors. They were co-captains Aldine Bono and Kristin McCarthy, Andrea Bitto, Alyssa Malcolm and Renee Murray. Cheerleading has been a part of Everett High School sports for many years and will be for many years to come.

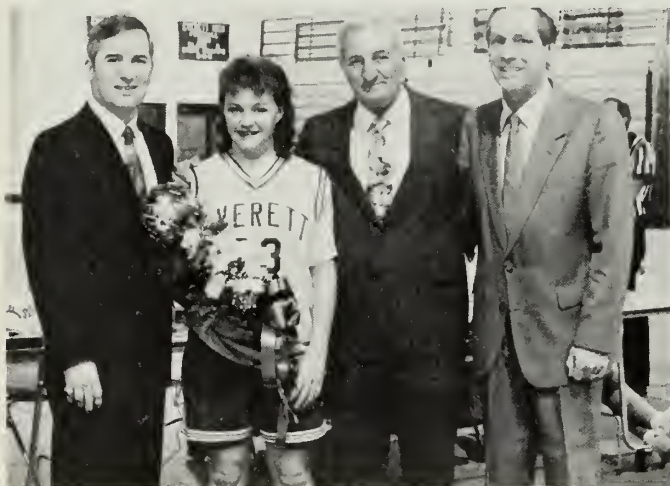

Girl's Basketball

The Girl's Basketball team is led by four seniors. All Scholastic guard Moe Stevens is one of the premier players in the state. Moe has established Everett High School records in scoring, assists and steals for her career. Jennifer Nigro is a two time GBL All Star and is one of the top forwards in the league. Lauren Fortier is the shooting guard for the Tide while Michelle Zapp is the center. Both Lauren and Michelle are standouts at their respective positions.

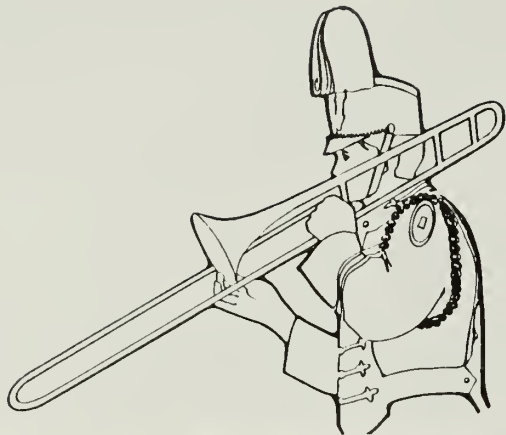

The Crimson Tide finished their season by coming in second in the GBL with an overall record of 12 and 5. The team is one of the best Everett Girls' Basketball teams ever to wear the Crimson uniform.

The seniors in this Everett Team have provided many thrills to fans over their four years. Their teams have been consistently rated among the top teams in both the state, and in the GBL. Moe, Jennifer, Lauren, and Michelle had starred on four State Tournament teams and a Greater Boston League Championship Team in the 1989-90 season. Their pride and dedication has admirably represented the Class of 1992.

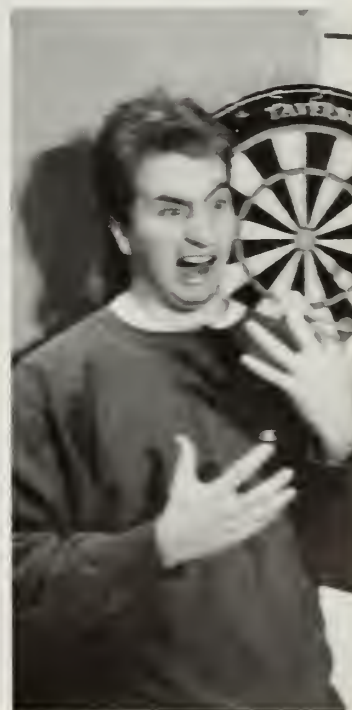

Band

Drama

The Everett High School Drama Club has been through many changes in the last four years, not to mention being under three different directors in as many years. In our freshman year the musical comedy **Once Upon a Mattress** was presented. Sophomore year we put on **Anything Goss** and **Alice in Wonderland**. During our junior year the EHS Crimson Players presented **Harvey** and **Godspell**.

In our sophomore and junior years, we entered the Massachusetts High School Drama Guild Competition. During our first year of competition we performed **Innar Circis**. **Innar Circis** not only won three all-star cast awards, but it also advanced to the semifinals, something which no other "rookie" drama club had every accomplished before. For the second year of competition the play **A Mad Breakfast** was performed. Although **A Mad Breakfast** did not advance in the competition, Everett High was awarded with two all-star cast awards. In September the School Committee hired Alex Lucchesi as our new director. He brought inspiration to the club with his enthusiasm. During our senior year Drama presented **You Can't Take it With You** in December, **Tony** in March, and **The Music Man** in May — all were great successes.

GIRLS' TENNIS

The 1991 girl's tennis team showed their victories in attitude, pride, and team dedication. The individual accomplishments of the team meant a great deal more to them than the outcome of the matches.

Led by captains Sandra Hersey and Kathleen Chanley, the young team was very motivated and played each match with determination. The enthusiasm of the members was unparalleled by any other sport, and the loyalty to the team was present as much in practice as it was at a match.

With the 1992 season just around the corner the Everett High Tennis team will have to say goodbye to seniors Kathleen Chanley, Erika Gorgenyi, Sandra Hersey, and Erin O'Connor, however an able group of underclassmen will return to carry on Everett High tradition in the sport of tennis. This season, as well as future ones, hopes to be promising for new coach Mr. Lawrence.

INDOOR TRACK

The talent and dedication displayed by both the boys' and girls' track teams was modeled by many other schools. Their motivation and pride for their school earned them great respect from their opponents and their peers.

Both the boys' and girls' team were coached by Joe Guarentello and Dennis Toto and led by seniors Captain Bryan Agnetta, Erika Gorgeny, Jason Consolo, and Peter McGahey. The team had some uplifting moments with their victories over Malden and Waltham, and also with a brief appearance of the Righteous Brothers.

Powderpuff

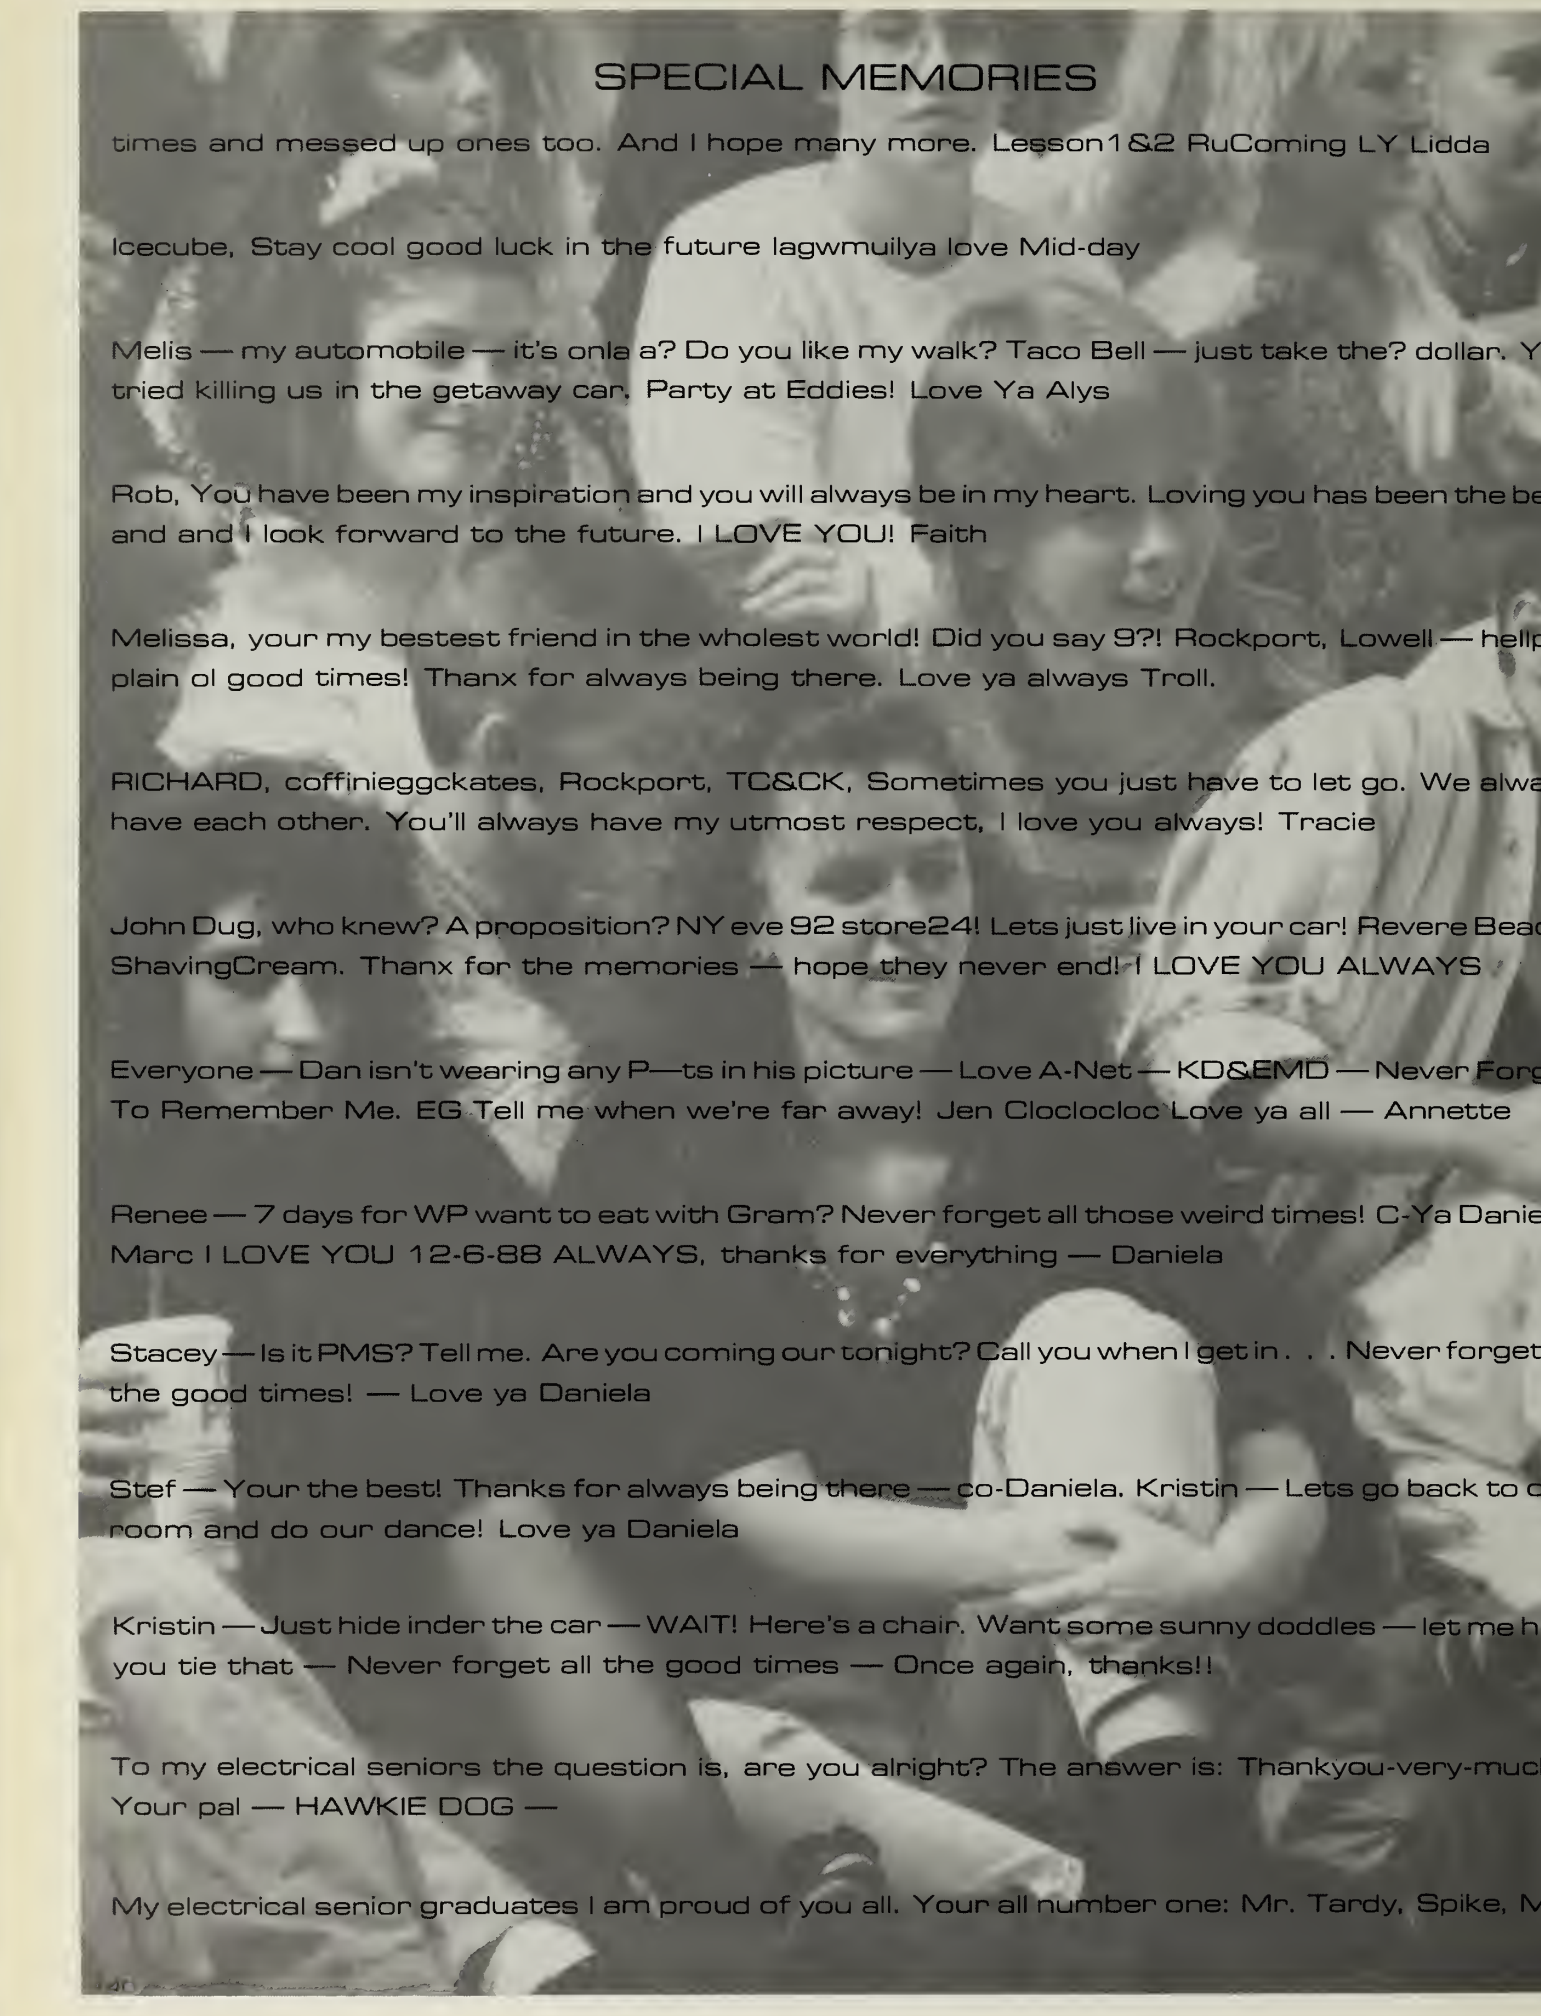

On November 23, 1991 Everett High began the tradition of an annual powderpuff game against Revere High, which was played at the Everett Stadium.

Coached by Mr. Herbie Lawrence, Mr. Hugh Kelliher, Mr. John Nuzzolo, and Robert Fuccihilo the girls displayed excellent ability in the sport of flag football.

As the Crimson Tide entered the football field on that warm Saturday, it was obvious to us that we would not allow Revere to walk away with the trophy. During the first quarter the Crimson Tide sent Maureen "Moe" in to the endzone on a thirty yard dash. Playing both excellent offense and overpowering defense the Crimson Tide kept the Patriots scoreless until the end of the third quarter. At that point Revere claimed a two point over the Tide. However the Crimson Tide would not allow Revere to keep the lead for long. With two minutes left to play in the game, Moe Stevens pulled a pass out of the air and ran 36 yards to secure Everett's victory over Revere 12-8.
